

Home Contacts

You will require a Home Contact as per Scout Association Factsheet FS120078.

You will be required to follow the guidance in FS120078.

CUBJAM will also require details of your Home Contact – so we can contact them directly in the event we are unable to locate your adults.

We will also provide your Home Contact with details of a central CUBJAM Home Contact and also how to contact the CUBJAM Office at Gilwell Park.

Should you arrange for someone to be collected, then the CUBJAM office should be informed IMMEDIATELY, so we know where to find you, and what time the parents are expected. It is likely that the parent is going to find us first when they arrive on site!!!
