### Registrations of Interest

As of July 2008, our registrations of interest number exceed 4 times our maximum capacity.

We currently have received deposits for just over 50% of our available Cub places.

Although we do not require any money from Contingents that are registering an interest in attending, we strongly suggest you pay a deposit per Cub Scout as soon as possible to secure your places.

### Not Staying Whole Week

It is not an option for contingents to come for part of the week.

However we accept that individuals may have personal commitments or medical reasons which mean they cannot stay for the full week.

Adults – See "A2 – Adults & Leaders" for more information

Cubs – If a individual Cub within your contingent is staying for 3 or more days, then they are required to pay the FULL fee.  
If an individual cub within your contingent has other requirements, please contact us to discuss this.

Visitors – See "V1 – Visitors" for more information

## Payments

### Deposits

We will require a deposit of £20/cub as soon as possible to secure your place. We do not require names of Cub Scouts attending at this stage.

The deposit is non-returnable, but...

If you bring more than 50% of the number of Cubs you have paid a deposit for – then we will just deduct your deposit from your final bill. You will not lose any deposits.

If you bring less than 50% - then you will lose your deposit for ALL the Cubs that have not attended.

We cannot guarantee space for more Cubs than you have paid a deposit for – however we will accommodate them if at all possible. Please contact us if you wish to bring extra Cubs.

### Payment Schedule

Once you have paid a deposit, you will be advised of a payment schedule. Your payment schedule is likely to be that balance of payments will need to be made in 2 instalments by 31<sup>st</sup> January and 31<sup>st</sup> March 2009. Depending on when you pay your deposit these dates may differ.

All Payments are non-refundable.
