

## **Site Services**

### **Toilet / Washing Facilities**

Gilwell Park will be providing extra Toilet and Washing facilities for CUBJAM 2009. These will be located within the camping fields.

### **Water**

There is water available at several places within the camping fields.

### **Chemical Toilets**

If you require a chemical toilet within your camping area – emptying facilities are available at Gilwell Park.

### **Ice Pack Freezing**

Currently we are investigating possibilities to provide this facility.

### **Rubbish**

Rubbish will be collected at least once a day from designated collection points on the CUBJAM camping fields.

Rubbish should be securely tied in black bin bags.

### **Recycling**

All Gilwell Park waste is currently sorted for recycling by a Waste management company. However, we are investigating more visible recycling opportunities.
