Event Format

Auditions for registered entries will take place throughout the day on Monday. Each applicant will be given a time slot to attend the audition arena. If you cannot make the allocated slot you must contact us ASAP. Missed slots cannot be guaranteed to be rescheduled as time is limited and all acts must be seen during the assigned period.

A maximum of 20 acts will be progressed through to the 'Heats' which take place in 2 rounds. The judges will select no more than 5 acts from each heat to go into the final on Wednesday.

In the final, each act will be given a score by each judge which will be combined to give an average judges' score. In addition the audience will provide a score using an applause meter scoring system. These will then be added to the judges' average to determine the winning act.

In the event of a tie, the following criteria will be considered in order until a result is found.

- Act with highest public vote
- Judges vote between the acts
- Act with the highest individual judges score
- Stage Presenter decides

The results are final and are not open to further adjudication or alteration.
